

Job Role: Orchard and Field Worker at Rohrbach's Farm; Catawissa, PA

Overview:

We are a family-owned and operated farm that has been in operation in our community for over 65 years. Our farm encompasses approximately ten acres and includes fruit trees, strawberries, raspberries and pumpkins. Most of our farm production is for the purpose of pick-your-own and direct community consumption. We also have and maintain a pollinator strip. We have a strong emphasis on engaging our community in understanding farm life, food source and how we care for our land and environment through our practices.

Responsibilities:

In this position, you will be working alongside the owner/manager in various aspects of the farming operation; including but not limited to the following:

- Assist with farming operations including fruit tree care, strawberries and fall crops which include pumpkins, sunflowers and a corn maze.
- Maintain general farm tidiness, clean up and field care (including mowing orchards); help place and operate trickle irrigation lines for strawberries and fruit trees.
- Assist with all harvests.
- Coordinate with farm owner/manager for wholesale purchases
- Assist with preparation for fall events; potentially drive tractor for hayrides.

Requirements:

The right candidate will have essential knowledge of farm equipment and equipment safety, including tractors. In this position, you will need strong communication skills with peers, other farm staff and when interacting with the public. Must have a willingness to learn constantly changing laws and regulations related to the farming operation. Professional level of leadership, appearance and behavior are crucial to the success of this role.

Submit resume and a minimum of three references to:
